

VIPMOAA GRATEFUL TO YORK HIGH SCHOOL NJROTC

Many thanks to the cadets at the NJROTC unit in York High School who have been hard at work collecting old cell phones to benefit our soldiers for the last month. Each unit translates into 60 minutes on a phone card for use by our troops in the Middle East. These allow our deployed forces to communicate with their loved ones and friends while far from home. Cadets Charlie Baynard and Bre Austill, of York, have led the successful drive. They continually pressed for on-going announcements thereby notifying the entire student body of the drive. Additionally they traveled to neighboring school populations soliciting phone donations. It is evident that these cadets and their team members have energized local high school populations to continue supporting our troops. WAY TO GO!
