### **HONOR FLIGHT SEND-OFF REMINDER**

The [Honor Flight Historic Triangle Virginia](#) (HFHTVA) is inviting VIPMOAA members to take part in the send-off ceremony for the next Honor Flight trip, Saturday, April 17, 2010. Chapter members are encouraged to come out at 6:45 AM to the Colonial Heritage Club House across from the Pottery in Lightfoot. The Daily Press will have a reporter and photographer making the trip and Honor Flight will have its own videographer recording the events of the day. After our return, each veteran will be given a CD of photos from the trip and a DVD containing an edited video of the trip.

The veterans were deeply moved during the last departure seeing the VIPMOAA members and Colonial Heritage residents lining the street waving American flags as the buses pulled out. For the Guardians, it was a heart-warming experience as well. Thanks to all that participated.
