Meet Colonel Max Taylor. He's one of the many residents at The Chesapeake with rich backgrounds, and wonderful stories to share. They're not just people who occupy our apartments and cottages, they're family. Since 1967, we've provided outstanding services to residents like Max by focusing on health and wellness, while providing plenty of social and cultural opportunities. And all residents enjoy the peace of mind knowing that continuing care is available if needed.

All backed by a superior, caring staff. To learn more or to schedule a tour, contact us today.
